Count Pentecost

1 *This chart is calculated from the known fact that the 15th day of the 2nd month is a weekly Sabbath (Ex 16:1-30). As illustrated, the original Pentecost was not on the 6th of Sivan.*

1st Month
Abib-Nisan

1	2	3	4	5	6	7 Sabbath
1	2	3	4	5	6	7
8	9	10	11	12	13	14

Lambs for Passover Selected

Passover² began after sunset of 13th. As 14th began the lambs were killed.

Exodus began as 14th ended & 15th began

7	8	9	10			
4	5	6	7	1	2	3
11	12	13	14	15	16	17

Passover

1st Day of Unleavened Bread

Last Day of Unleavened Bread

Sabbath

18	19	20	21	22	23	24
4	5	6	7	5	6	7

Morrow after the weekly Sabbath

1st day toward Pentecost

Israel crossed the Red Sea

1st Sabbath toward Pentecost

25	26	27	28	29	30	

2nd Month
Zif–Iyyar

3rd Month
Sivan

Quail sent at sunset ending Sabbath – Israel ate flesh (Ben Ha Arbayim) between the two evenings

Manna two days 6th day and Sabbath

Calendar grid (days / counting toward Pentecost):

2	3	4	5	6	7
9	10	11	12	13	14
16 Manna	17 Manna	18 Manna	19 Manna	20 Manna	21 Manna
23	24	25	26	27	28
30					

| 1 | 8 | 15 | 22 | 29 | |
| 1 | 8 | 15 | 22 | 29 | |

Events along the bottom row:

- **1** — 2nd Sabbath toward Pentecost **14**
- **8** — 3rd Sabbath toward Pentecost **21**
- **15** — 4th Sabbath toward Pentecost **28**
- **22** — 5th Sabbath toward Pentecost **35**
- **29** — 6th Sabbath toward Pentecost **42**
- **1** — 7th Sabbath toward Pentecost **49**

50 Pentecost 50th day after 7th Sabbath **3** (7 8)

51 Not Pentecost because it would have required washing clothes on Sabbath **4** (8)

Israel arrived at Sinai same week as they left Rameses

Wash Clothes

Sunset begins the Day

Example of Hebrew calendar day (about 24 hrs.)

Night	Day

2 Sacred Calendar:
On the Hebrew (Sacred) calendar *sunset* begins the new day. The Gregorian calendar, which is utilized today, is different. It begins the day at midnight.

Compilation by Fred R. Coulter and Jim Sorenson.
