

Trump Trials & the Downfall of America

(Day 4—FOT—LIVE)

Fred R. Coulter—October 3, 2023

Greetings, everyone! This is another special message during the Feast of Tabernacles. If you watched the news last night, they showed parts of the trial of Trump in New York City, and that is complete Democrats hate bias against one man! There is no legal authority or law that is honestly applied that has been used to indict him!

I want to give you a firsthand lesson on property appraisals, because this judge—when you see the picture of him—you know that he is a complete idiot! He knows nothing about real estate appraisal. He cannot unilaterally, in His own mind from the bench say that the property in Mar-a-Lago, Florida, is worth \$18-million. That is insane!

On Fox News they showed adjoining properties on the beach, properties a little way from the beach. In an empty two-acre lot on the beach sells for—just a lot, no building--\$2-million! Mar-a-Lago is over 20 acres! It has lot of very expensive buildings on it. So, it's probably worth a minimum of \$500-million, maybe even \$750-million because of everything that was put in there.

How do you come to the value of land? Well, I used to be a real estate broker, and with every real estate loan there is an appraisal. There is not a bank in the world that does do it's own appraisal of these large investments. They don't rely on one man—especially an idiot judge—to tell them the value of the land. He knows nothing about the real estate market in Florida since he sits in New York City!

What they do is this: If a person wants a loan on a property, or wants to buy a property and they need a loan, the first thing that is done is open up an escrow and then an appraisal is ordered by a separate, independent appraiser. He values the property this way: based upon the age of the buildings, location, improvements, is there a road, sewer, water—or do they have a dusty trail in front of the house. Then he evaluates the house: How many bedrooms, bathrooms, how big is the living room, etc. Does it have a garage. Is there unattached buildings and how much that is worth.

He takes all that and compares it to recent comparable sales. Then he makes an evaluation of the property that's in escrow based upon all of those factors.

The lender also has an appraiser to verify. But licensed and approved appraisers. They accept their appraisal.

Did the judge in New York hire an appraisal company to go down to Mar-a-Lago and do an appraisal of everything that is there? ***NO!*** He just sat there and when the court opened up and saw the camera he gave this smart-aleck smirk, which was an insult to everybody in the courtroom.

My question is this: Why have not the Trump attorneys gone the Supreme Court to get all of these phony trials removed?

Keep in mind, this is coming against true Christians! Persecution! There's going to be false charges and beheadings, because we will not accept the coming one-world religion, and we will not accept the mark of the beast; *therefore, we are enemies of the state!*

I've read a good deal out of my two-volume book: *Foxe's Book of Martyrs!* There's a condensed one that has some in it. These are verbatim accounts of those who believe the Bible and stood for God! They obviously did not understand the things that we understand today, because God told Daniel that at the end of days, 'the wise will understand.' But they stood for Christ!

One account that really shows you how they thought was when this teenaged girl was hauled up to be killed. She told the inquisitor: 'Can I go home and put on my best dress; I don't want to meet Jesus in this dress?' So, she went home and got the dress and came back and was killed!

These things that are happening today are all preludes leading up to that time!

- How much time do we have? *We don't know!*
- Is it going to be peaceful?

or

- Is it going to be difficult?

*It's **not** going to be peaceful! It **will be** difficult!*

So, as long as we have the Internet, and as long as we can do the things that we can do, that's why I want to get the Bibles out to every other member in every other Church of God possible. Tomorrow, I'm having six boxes of Bibles delivered up here, because it's important.

Here is the next thing to happen; the groundwork has already been laid. All you have to do is look at New York, Chicago, Texas, Arizona, and wherever the 8-million 'immigrants' went. Stop and think about this: America is the only country in the world that this happening to on this scale.

America is originally the descendants from Manasseh separating from Ephraim.

Subsequent to that time, different other people from the other tribes of Israel came: Norway, Sweden, Finland, France, Saxony in Germany, the Netherlands, Belgium, Luxembourg. All of those are descendants of the then tribes of Israel. After that came a lot of Italians and then others.

So, in America I want you to understand what happening with the immigration is happening in no other country in the way that it is here, and with the magnitude that it is occurring. More than 10,000 Sept. 21, 2023 at one crossing^[transcriber's correction]. You watch New York City. I don't know what they're going to do, but I can tell you that they can't hold back plagues very long with that many people living there on the streets with all the unsanitary conditions that are there. I would not be surprised to hear announced on the news that the Bubonic Plague is spreading in New York City.

- Where are they going to put them?
- What is going to happen?

Look at the number of murders and rapes taking place right now. It's unreal!

- We were the nation that proclaimed God!
- We were the nation that said that we believe in God, trust in God and put it on our money!

For the Protestants: when they actually kept the other Laws of God, God blessed them in it. But then everything became infiltrated with Satan the devil! What do we have today? *We have a 'Christianity' without God!*

In moving toward a one-world religion, and a worldwide dictatorship, it's going to be unreal! I saw a special report where the speaker said, 'the two super-powers are America and China, **but the coming next super-power will be A.I.**'

I don't know what that's going to be like, but the only think I can imagine is, it has every detail of Satan the devil and Tree of the Knowledge of Good and Evil all wrapped up in there. They will make their decisions based upon that.

Deuteronomy 28:43: "The stranger *dwelling* among you shall get up above you very high..."

We haven't seen anything, yet! Very few understand the real cause of all of our problems, **which is we have left God!** The decline in Christianity was the powerful stroke of Covid-19 against the Protestants! They recovered! Attendance is down!

Look, even in the Churches of God, look at us! We're no 'spring chickens' or 'spring roosters.' But we have to stay faithful to the Word of God! Remember Elijah after he did in the priests of Baal and Jezebel? He got afraid and went on down to Mt. Horeb and went into a cave and had a pity party!

Oh woe is me! Who's going to take care of me. There's nobody to take care of me; I'm all alone!

Then a quiet still voice said,

Now, now, Elijah, I've reserved to Me 7,000 men who have not bowed the knee to Baal!

Then He told Elijah what to do! Since there was no supermarket at hand, God sent a raven to bring him food every day.

- Can God take care of us even in the most difficult times?
- Does it matter if we have to stand along sometimes? and maybe many times? *No, it doesn't matter!*

Verse 43: "The stranger *dwelling* among you shall get up above you very high, and you shall come down very low. He shall loan to you, and you shall not loan to him. He shall be the head..." (vs 43-44).

He takes your wealth; is that what's happening? *Yep!*

"...and you shall be the tail" (vs 44). *That one verse that is being fulfilled right before our eyes every day!*

God uses evil people to carryout the punishment of His curses. That's why we have the president that we have. That's why the Democrats are anti-God. **IF** those who profess God do not come to God **His way, THEN** God is going to send these as automatic punishments for them to reject and neglect the Word of God, yet, claim the name of Jesus. They are the ones, as well as the people who follow them and believe them.

Verse 45: "And all these curses shall come on you..." *and you read on!*

The story of the Tree of the Knowledge of Good and Evil is that you can go against God and everything will be all right. *Can't happen! It won't work!*

"...and shall pursue you and overtake you, until destroyed..." (v 45).

That doesn't mean that you don't exist. That means your whole society and your whole way of life is destroyed. *Here it is right here; there's always a cause:*

“...because you did not obey the voice of the LORD your God to keep His commandments and His statutes, which He commanded you” (v 45).

So, when you watch the news, keep that in mind! You will see it like it's big red letters over your television screen.

Verse 46: **“And they shall be on you for a sign and for a wonder, and on your seed forever.”**

So, wherever the children of Israel are, when they reject God, these things happen! Here's the reason:

Verse 47: **“Because you did not serve the LORD your God with joyfulness and with gladness of heart for the abundance of all things.”**

Have we had the abundance of all things? *Yes, we have!* To the overflowing! We've fed other nations and peoples. **Then:**

- we curse God by rejecting His laws and commandments
- we curse God because we didn't keep His Sabbath
- we curse God because we keep Christmas, Easter, New Years and all of the pagan holidays

As a nation that's what we do!

Verse 48: “Therefore, you shall serve your enemies, which the LORD shall send against you in hunger, and in thirst, and in nakedness, and in the want of all *things*. And he shall put a yoke of iron on your neck until he has destroyed you.”

What I read yesterday is right there! Seventeen things to bring the world under Satan's Control! We don't know what's going to happen. A lot of people are hoping that if Trump gets elected he's going to be able to turn it around.

- ***unless*** he personally turns to God
- ***unless*** he encourages everyone else to do so
- ***unless*** a lot of these Sunday-keeping ministers repent of their greed and selfishness—especially these televangelists who live in millions and millions of dollars worth of homes and have planes and assets and everything like that—*God is not going to be able to do very much!*

About the only thing Trump could do—which everyone would scream to high heaven—is to suspend the Constitution and follow in the footsteps of Abraham Lincoln and setup military tribunals and try all the enemies of the state and execute them!

Go back and read what Josiah did in 2-Chron. 34; that's he did! Trump is not going to save us. Trump is not the answer! The answer is ***repentance toward God!***

Verse 49: “The LORD shall bring a nation against you from afar...”

Assyria has always been close to the descendants of Israel. They were north of the ten tribes. Today, they are the Germans. You can go on {inaudible website} and you can find out how he shows historically that the Germans, Western Czechoslovakia and Austria are the Ninevites. Where are the other tribes of Israel all around.

What's going to happen is that “...a nation from afar...” Germany is not afar from the nations of Europe. It's in the center of it.

Speculation: I believe that this nation from afar—let's read a little bit more:

“...from the end of the earth...” (v 49).

Where is China when you go east—*the end of the earth!*

“...as the eagle flies, a nation whose language you shall not understand” (v 49).

Anybody here understand Chinese? You look at their language and you wonder what is this? *That's why I want you to read that 30 pg. report: Thoughts on General Chi Haotian—Secret Speech By Chinese General Chi Haotian* {<https://www.cbcb.org/judgment/thoughts-on-general-chi-haotian.html>}

That's a 30-page report; *you read that!* China has been planning to take over America from the beginning when Nixon went over there to open China with Henry Kissinger.

- Guess who setup the Bank of China? *Rothschild!*
- Where does he live? *In the U.K.!*
- Guess who had lunch with him one day? *Herbert W. Armstrong!*
- How much of a witness was that?
- Did Rothschild sell anything and give to the poor Jews? *No!*

Verse 50: “A nation fierce of countenance...”

Watch the armies when they march—you see clips of that—what do they do to the Muslims that they have in the slave camps in Western China? *They work them to death!*

“...who shall not regard the person of the old, nor show favor to the young. And he shall eat the fruit of your livestock...” (vs 50-51).

That what the Chinese want, because they have to import between 70-80% of their food. Look at it the way that China does. They have these hills and mountains. Have you seen the agriculture that they have to have. They don't have enough flat land. They get a lot of rice from Manchuria because it's more flat up there. But what do they have? They terrace these steep mountains so they can grow rice.

Then they come to America and they drive across the great plains and see all of these fields with all the corn, wheat and barley, and fields of cattle and hogs. That's what they want. That's why they're not going to nuke us; they don't want to contaminate the food that they want. You read that paper. I'm not going to give a command, **but I'm going to strongly persuade you to read the whole 30 pages!**

He says that the Chinese were here on the American continent before we were, therefore, they have first right of claim and that America ought secede the western half of America to China!

- Why do you think there's subterfuge?
- Why do you think there are all of these pandemics that are coming?

China has been working on that for years! They're so smart and so cunning and skilful that they use our money to promote everything that they want to do to take us over. How close are they today? *There's a military base in Cuba!* Pres. Biden has his ice cream cone!

They own the eastern and western gate of the Panama Canal. To me this fits China more than it does Assyria. The King of the North will come out of Assyria in Europe, but America contains remnants of all the 12 tribes right here! It's very profound that what we're reading here today in the end-times is exactly what we see on the news; is it not what we see on the news?

"...and the fruit of your land, until you are destroyed. He shall not leave you grain, wine, or oil, neither the increase of your livestock, or flocks of your sheep until he has destroyed you. And **he shall besiege you within all your gates**... [inside, an internal takedown] ...until your high and fortified walls in which you trusted come down throughout all the land. And he shall besiege you within all your gates throughout all your land, which the LORD your God has given you" (vs 51-52).

Then it prophesies of cannibals!

*All of this is important concerning understanding **righteous judgment!** God is righteous to do good, and God is righteous to correct and punish with the evil of our works, in hopes that we repent!*

This is what went on in my mind last night as I was watching the news and looking at that pitiful unlawful wretched trial. Not just one, but four all at the same time! Don't anyone accuse me of being in politics because I mention Trump's name. If you do, then you must accuse every prophet or teacher in the Bible who mentions a king, prince or someone else.

I'm not playing politics! But we are told—like I wrote in my letter—we are to pray for those who are in authority. So, it's perfectly right to pray for Trump and those who support him. Prayers can do more than our going out and trying to do political things and then end up on the other side of what God wants us to do.

(someone asks); Should we also pray for Biden? *Yes, pray for Biden, that's right!* Jesus said to **love your enemies!**
